Stage - Leads

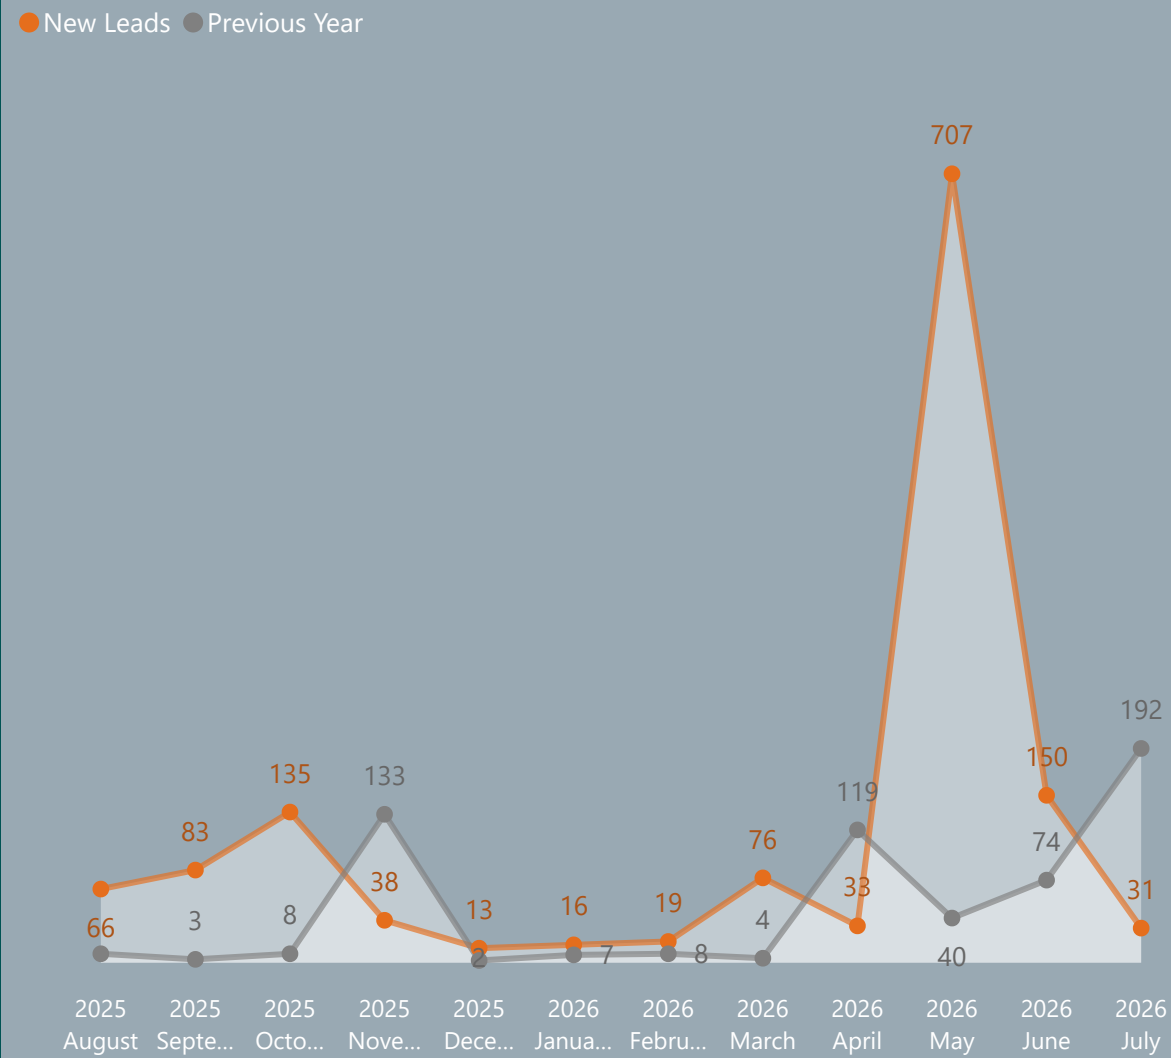

Annual Leads

Findings

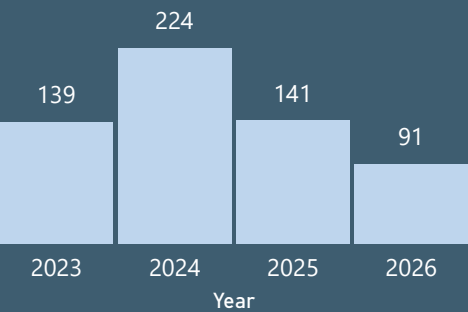

May 2026: The team got a new tool for finding and research leads and spent most of their time bringing these into HubSpot while waiting for the new campaign materials.

Monthly Leads

Stage - Engaged Leads

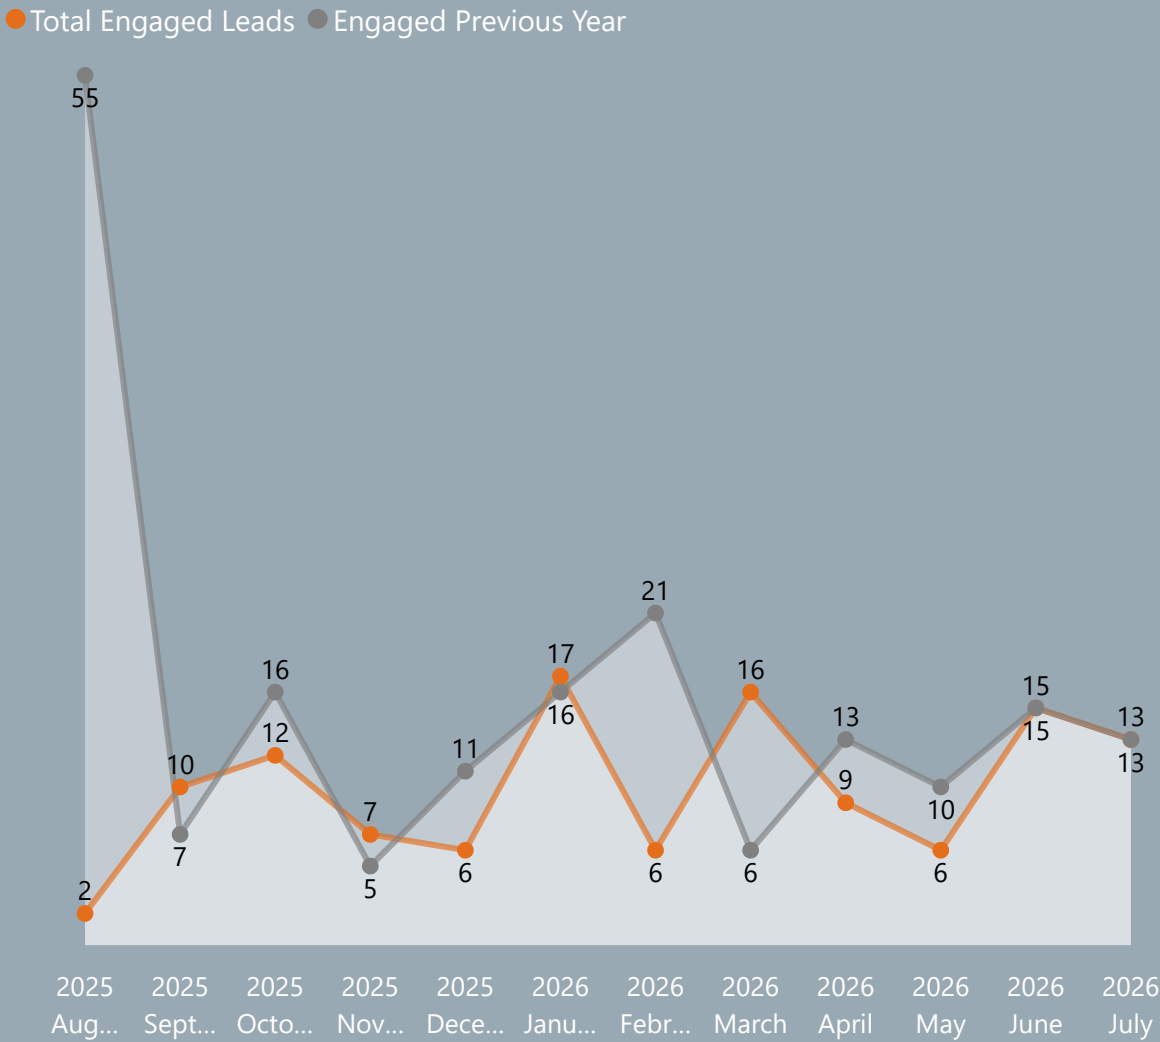

Annual Engaged Leads

Findings

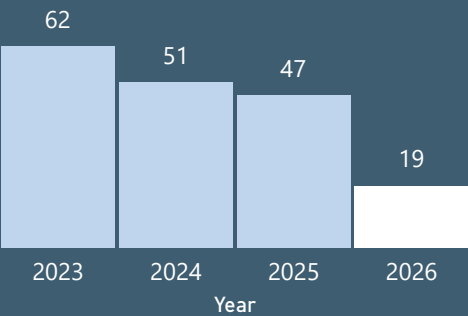

August 2025: This spike is due to the annual trade show. At the end of Aug 2026, there should be a similar spike, as the team is at the trade show.
